

PROGRAMME	MSc. HSM & MSc. HM		
DATE	MODULE	Programme Coordinator: Simon Peter Katongole	MODULE
8/08/2016 – 15/08/2016		ORIENTATION WEEK (NMT)	
15/08/2016 – 19/08/2016	Academic Writing	Academic Writing (SPK)	Academic Writing
22/08/2016 – 26/08/2016		Primary Health Care and health systems	
29/08/2016 – 02/09/2016	Health Policy, Planning and Management (4 Weeks) Coordinator EM)	Health Policy and Planning	Health Policy, Planning and Management (4 Weeks) coordinator EM)
05/09/2016 – 09/09/2016		Project planning and management	
12/09/2016 – 16/09/2016		Public Health	
19/09/2016 – 23/09/2016	Epidemiology and Biostatistics (coordinator JN)	Introduction to Epidemiology	Epidemiology and Biostatistics (coordinator JN)
26/09/2016 – 30/09/2016		Epidemiological studies	
03/10/2016 – 07/10/2016		Biostatistics 1	
10/10/2016 – 14/10/2016		Biostatistics 2	
17/10/2016 – 21/10/2016	Health Systems Research (coordinator VL)	Research + Quantitative Research Methods	Health Systems Research (coordinator VL)
24/10/2016 – 28/10/2016		Quantitative research Methods	
31/10/2016 – 04/11/2016		Qualitative research Methods	
07/11/2016 – 11/11/2016		Mixed Research Methods & Proposal approval	
14/11/2016 – 18/11/2016	Quality and Safety in Health (SPK)	Quality of Healthcare	Reproductive Health in Developing Countries (MN)
21/11/2016 – 25/11/2016		Safety in Healthcare	
28/11/2016 – 02/12/2016		Measuring quality and 5S Kaizen financial mgt	
05/12/2016-09/12/2016	Management of Material and Financial resources for health (EM)	Rational Prescription, dispensing & controlling loss of medicines	Management of Material and Financial resources for health (EM)
12/12/2016 - 16/12/2016			
19/12/2016-08/01/2017	Christmas Break - 2 weeks	Christmas Break - 2 weeks	Christmas break - 2 weeks
9/01/2017 - 13/01/2017	Management of Material and Financial resources for health (EM)	Procurement, distribution, storage & Mgt of medicines	Management of Material and Financial resources for health (EM)
16/01/2017 - 20/01/2017	Environmental and Occupational Health (coordinator VL)	Introduction to Environmental Health	Environmental and Occupational Health (coordinator VL)
23/01/2017 - 27/01/2017			
30/01/2017 - 3/02/2017		Occupational Health Safety	
6/02/2017 - 10/02/2017	Management of Human resources for Health, Leadership and Organization (MN)	Principles of Human Resources Management	Management of Human resources for Health (MN)
13/02/2017 - 17/02/2017		Managing entry of Human resource	
20/02/2017 - 24/02/2017		Managing of stay of human resources	
27/02/2017 - 03/03/2017		Managing of exit of human resources	
6/03/2017 - 10/03/2017	Field Analysis (SPK)	Developing tools for the field	Essentials of Demography Principles and Methods (LW)
13/03/2017 - 17/03/2017		Data collection and analysis + report writing	
20/03/2017 - 24/03/2017		Report writing	
27/03/2017-31/03/2017	Health Economics and Health Financing (EM)		Demographic Techniques and Analysis in developing countries (JN)
3/04/2017-7/04/2017			
11/04/2017 – 12/04/2017			
13/04/2017 – 17/03/2017	EASTER BREAK 4 DAYS	EASTER BREAK 4 DAYS	DAYS
18/04/2017 – 21/04/2017	Health Systems Through conflict and Recovery (MN)		Monitoring and Evaluation of Population and Reproductive Health Programmes and interventions (SPK)
24/04/2017 - 28/04/2017			
02/05/2017 - 05/05/2017			
08/05/2017 - 12/05/2017	PROPOSAL PRESENTATION	FINAL PROPOSAL SUBMISSION	
15/05/2017 - 19/05/2017	Dissertation Writing	Dissertation Writing	Field Analysis (MN)
22/05/2017 - 26/05/2017	Dissertation Writing	Dissertation Writing	
29/05/2017 - 15/08/2017	Dissertation Writing	Dissertation Writing

ORIENTATION WEEK		ORIENTATION WEEK
Academic Writing (SPK)	Academic Writing	Academic Writing (SPK)
Primary Health Care and health systems		Primary Health Care and health systems
Health Policy and Planning	Health Policy, Planning and Management (4 Weeks) coordinator EM)	Health Policy and Planning
Project planning and management		Project planning and management
Public Health		Public Health
Introduction to Epidemiology	Epidemiology and Biostatistics (coordinator JN)	Introduction to Epidemiology
Epidemiological studies		Epidemiological studies
Biostatistics 1		Biostatistics 1
Biostatistics 2		Applied Epidemiology MPHP)
Quantitative Research Methods	Health Systems Research (coordinator VL)	Research + Quantitative Research Methods
Quantitative research Methods		Quantitative research Methods
Qualitative research Methods		Qualitative research Methods
Mixed Research Methods & Proposal approval		Mixed Research Methods & Proposal approval
Major Components of Reproductive Health in Developing Countries	Foundations of Health Promotion (LW)	History & roles in HP
Major Components of Reproductive Health in Developing Countries		Approaches, settings & Ad Learning
Reproductive Health in Disaster situations		Community diagnosis
Procurement, distribution, storage & Mgt of medicines	Management of Material and Financial resources for health (EM)	medicines
Rational Prescription, dispensing & controlling loss of medicines		Rational Prescription, dispensing & controlling loss of medicines
Christmas Break - 2 weeks	Christmas break - 2 weeks	Christmas Break - 2 weeks
Procurement, distribution, storage & Mgt of medicines	Management of Material and Financial resources for health (EM)	financial mgt
Introduction to Environmental Health	Environmental and Occupational Health (coordinator VL)	Introduction to Environmental Health
Occupational Health Safety		Occupational Health Safety
Principles of Human Resources Management	Management of Human resources for Health (MN)	Principles of Human Resources Management
Managing entry of Human resource		Managing entry of Human resource
Managing of stay of human resources		Managing of stay of human resources
Managing of exit of human resources	Community participation and empowerment (VL)	Managing of exit of human resources
introduction to basic concepts in popn & demography + Basic so		Empowerment domains
		Policy , capacity skills
		Mobilisation skills
Use of Stat compiler in analysis of demo & Health surveys in Africa	Disease Control and Prevention LW	School HP
Distribution + Determinants and Measures of Fertility		NCD & CD
Migration studies In Africa. Causes, Effects and consequences		Disasters and HP
EASTER BREAK 4 DAYS	EASTER BREAK 4 DAYS	EASTER BREAK 4 DAYS
Introduction to Monitoring and Evaluation Techniques + Introduction to Project Cycle as a Guide in Understanding Project Implementation	Health Communication (VL)	H. Comm strategy
Relationship between between Planning, Monitoring and Evaluation of Reproductive Health Interventions + Developing a Conceptual Framework for Popn. & RH Interventions		H Informatics
Logical Framework and Its application in the Field of Popn. & RH + Monitoring and Evaluation Indicators for Popn. & RH Interventions and Programms		Culture, Social Mkt
Developing tools for the field	Field Work (VL)	Dev tools, data collection
Data collection and analysis		data collection
Report Writing		Report writing
